

# Blush & Blue Product Care Guide

*Keep your JJOA treasures looking beautiful*

## Rhinestone & Bling Items

Turn garment inside out before washing  
Wash in COLD water on gentle cycle  
Use mild detergent - avoid bleach  
Air dry or tumble dry on LOW heat only  
DO NOT iron directly on rhinestones - iron inside out if needed  
Store flat or folded to prevent rhinestone stress

## Glitter Vinyl & Heat Transfer Designs

Turn garment inside out before washing  
Machine wash COLD water on gentle cycle  
Use mild detergent - NO fabric softener or bleach  
Tumble dry LOW or hang dry  
Iron inside out on low heat if needed - NEVER iron directly on design  
Wait 24 hours after receiving before first wash for vinyl to fully cure

## Enamel Pins, Brooches & Accessories

Wipe gently with soft, dry cloth to remove dust  
For deeper cleaning, use slightly damp cloth - dry immediately  
Avoid harsh chemicals, perfumes, and lotions  
Store in a cool, dry place away from direct sunlight  
Keep pins secured when not in use to prevent loss

## Fabric Totes, Bags & Accessories

Spot clean with mild soap and water

For machine washing: cold water, gentle cycle

Air dry recommended - avoid high heat

Iron on low if needed, avoiding any printed or embellished areas

Store in dust bag or clean, dry place when not in use

## General Care Tips

Always check care labels if provided

When in doubt, hand wash in cold water and air dry

Avoid exposing items to extreme heat or direct sunlight for extended periods

Store items properly between wears to maintain quality
